 BOD : October 9 @ 7:00pm

HOA Quarterly : October TBD

BOD : November 13 @ 7:00pm
 BOD : December 11 @ 7:00pm

HOA Elections : December TBD

PLEASE watch your speed through the neighborhood. There are small and big children as well as pets who don't want to get run over. Please remember to do a complete stop at stop signs and respect the speed limit. Don't assume this reminder is for teen drivers only, we all need to set an example.

As you walk your pets, please be kind and clean up after your pet along the way on the side walks, neighbors front yards and common areas.

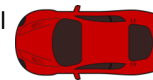

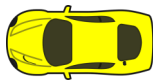

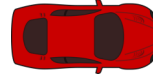

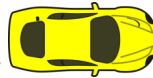

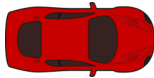

Reminder many properties now have surveillance systems and it will be embarrassing if you are captured on video and not cleaning up after your pet.

Unfortunately, the attempts of the HOA encouraging all home owners to join as a community and sign up for one trash collection company to benefit from the discounted prices, has not been successful. As a result, we have visible bins and collection trucks running every day of the week. We ask that you place out your bins the night before of collection day and retrieve them back the same day after pick up has been done.

It has become a habit to park cars on the street and cul-de-sac's. Please assure that home members cars are parked on your driveway and garage at all times; in the event of a special occasion with friends, visiting family or visiting neighbors ask them to first park on your driveway, if more spaces are needed, please ask them to park using one side of the street, this will reduce hazardous situations and prevent first responders to maneuver freely.
